Description of the activity and schedule for the day.....

Tubes & Jujubes™ is a family oriented attraction that offers the latest trends in kids entertainment business for children of 12 years and younger. The company caters to this group of age because of the importance of motor skills development during childhood. The compound name of the company reflects products and services it offers. Tubes represent gigantic play structures made of plastic, balls arenas, toddler parks, climbing walls and a variety of games. The company also offers educational games, group programs, school activities and ways for the family to move in a safe environment.

We will leave at 8:30am please have your child here for 8:15; we will have lunch at 11:30 (approx).

Please hand in the authorization form with your signature, as well as the fees for the activity or outing before **March 23<sup>rd</sup>, 2011**. Of course, as a parent you are always welcome!
