I'm a Little Snowman

(sung to the tune of I'm a Little Teapot)

I'm a little snowman short and fat!

Here's my scarf and here's my hat!

When the snow is falling hear me say,

Build a snowman every day!

*

I'm a little snowman short and fat!

Here's my scarf and here's my hat!

When the weather warms up, tee, hee, hee

I'll melt and there's no more of me!

Snowball

I made myself a snowball
As perfect as could be.
I thought I'd keep it as a pet
And let it sleep with me.
I made it some pajamas
And a pillow for it's head
Then, last night it ran away.
But first...it wet the bed!

It will be,

Six more weeks of winter

For you and me!

Five Little Popsicles

@TheDaycareTeacher

Five little popsicles, sitting in a row,
Dripping in the sunshine, starting to go!
The first one said, "It's getting quite hot!"
The second one said, "I'm melting on the spot!"
The third one said, "We need some shade!"
The fourth one said, "This is how we're made!"
The fifth one giggled, "What a sweet, sticky day!"
And slurp, they were gone in the very same way!

Please shine down on,
Please shine down on,
Please shine down on me!
