

SCHOOL / SCHOOL BOARD REGISTRATION

The ECC is part of 3 different school boards:

- Portage de l'Outaouais School Board (CSPO),
- Hauts Bois de l'Outaouais School Board (CSHBO) .
- Western Quebec.

For school registration, only the CSPO informed us of the details to send to parents. If your child will attend the 2 other school boards, parents must contact the school themselves in order to find out the registration procedures specific to their school.
