The statutory holidays are the following:

Labor Day	Good Friday
Thanksgiving	Easter Monday
Day before Christmas	Queen's Birthday
Christmas day	St-Jean Baptist
Boxing day	Canada day
Day before New Year's	
New Year's Day	
Day after New Year's	

The six statutory days during the holiday period (Christmas and New Year) will be put together for a consecutive holiday.

Annual vacation

The employee benefits from 1 day off per month for the first year. (Maximum of 10 days)

The employee benefits from 2 weeks of annual vacation and an indemnity of 4% after 1 year of service completed with the ECC.

The employee benefits from 3 weeks of annual vacation and an indemnity of 6% after 3 years of service completed with the ECC.

The employee benefits from 4 weeks of annual vacation and an indemnity of 8% after 10 years of service completed with the ECC.

The employee must fill out a request for vacation sheet before the end of May. The vacation request must be approved by Management.

Employees with 3 weeks of vacation must take 5 days' vacation during the summer months; therefore, between June 24th and August 31st.

Employees with 4 weeks of vacation must take 10 days' vacation during the summer months; therefore, between June 24th and August 31st.

Vacation days and time off cannot be accumulated unless authorized by the director.

The amount of vacation due is paid at the departure of the employee.

The vacation pay begins to accumulate at the beginning of the employee's contract.

The vacation must be taken during the current fiscal year (April 1st to March 31st)

In the event of an employee being absent from work due to a layoff, absence without pay or parental leave the vacation time is accumulated, however the indemnity (money) does not accumulate.

EXAMPLE

Accumulated percentage	Reference year	Reference year	Time granted
	2000	2001	1 day off per month
4%	2001	2004	2 weeks of vacation
6%	2004	2010	3 weeks of vacation
8%	2010		4 weeks of vacation

It is mandatory that all employees submit their request of annual vacation to their immediate supervisor **BEFORE MAY 31st** (or before March 31st if they are taking vacation in April and/or May).

In order to be equal and fair towards all ECC employees, and after trying to find a common ground for the parties concerned, the ECC agrees to the requests of vacation in the following manner:

A block of 2 weeks or more, by seniority; following
Blocks of 1 week, by seniority; and finally
Scattered days, by seniority.

Also, not more than two permanent qualified staff will be able to take a vacation in the same period. There may be exceptions depending on the ratios at certain times of the year.

N.B.: Requests for vacation time given **AFTER MAY 31st** will not be treated in the order described above, but according to the capacity of the ECC responding to the needs of the organization first and along with the vacation already approved.

Health days/ (Sick days)

The **first of April of each year**, the employees of the ECC accumulate health/sick hours in this matter; 1 health/sick day after 1.5 months of work with a total of eight (8) health/sick days. These days are not payable or accumulated. This time is affected in hours and may be taken in this way. Once an employee uses 3 health/sick days consecutively, they must provide the ECC with a doctor's note.

For all holidays and information concerning holidays refer to the Labor Standards (NORMES DU TRAVAIL).

4. Only one (1) employee at a time may be on leave. If more than (1) requests are asked for, for the same period, the first request will be honored. First come, first served! If two (2) requests are made on the same day, seniority is the determinant.
